

RHM on Ski 2023

St. Antönien 25.02. until 02.03.2022

Dear friends,

We will meet this winter in St. Antönien, Switzerland.

St. Antönien is famous for ski mountaineering, one can choose from about 30 routes from easy to difficult, in all lengths and for all conditions.

Snow shoe hikers are welcome also.

Arrival:

by train:

to Küblis station (between Landquart and Davos), from there with „Postbus“ to St. Antönien center (St. Antönien Platz) <https://www.postauto.ch/-/media/postauto/fahrplan-und-netz/liniennetz/dokumente/graubuenden/paettigau.pdf?vs=1> from there it is 1 km on foot, but it is also possible to get a lift from the guesthouse.

by car:

highway A13/E43 (St. Margarethen – Chur) until Landquart, further direction „Davos“ until Küblis, at the beginning of Küblis turn left to St. Antönierstraße (direction Luzein / St. Antönien), until St. Antönien center, in the center turn to the right direction „Gasthaus Bellawiese/guesthouse Türli“. There is a little Parking place.

Accommodation:

Our accommodation is the cosy guesthouse „Türli“ <https://haus-tuerli.eu/> in St. Antönien/Ascharina directly at the bottom of the mountain „Eggberg“.

Food is good value for money – especially by Swiss standards. Half pension is to be recommended (dinner 3-course menu was 20 € last year).

I have reserved 5 nights (25.02. until 02.03.2022). If you want, you can stay longer, provided beds are free – please hurry to make your reservation in that case.

Meeting: Saturday evening 18:00

Those who have a short journey and want to go on tour on Saturday: meet Saturday 09:00 at the guesthouse Türli.

Maps: Schweizer Landeskarte 1 : 25.000 sheet 1157 Sulzfluh, sheet 1177 Serneus
<https://shop.swisstopo.admin.ch/de/karten/landeskarten/landeskarte-25000>

Guidebook: Graubünden Nord:

<https://www.freytagberndt.com/de/skitouren-graubunden-nord.html>

I will take a few copies.

Here you can get information too and print out:

<https://map.geo.admin.ch/> (choose: „Schneesport“)

Equipment:

- Avalanche-equipment: modern avalanche-receiver (3 antennas), probe, shovel
- if you intend to do more difficult routes, then: ice axe, crampons, helmet
(for most routes these are not necessary)

**EACH PARTICIPANT IS RESPONSIBLE FOR HERSELF AND HER INSURANCE -
THE RHM ORGANISATION HAS NO LIABILITY**

Registration: E-Mail to: katrin.neumayr@gmx.de with details:

- full name
- date arrival, date departure, number of nights
- food details: normal food (half pension), any intolerances / vegetarian/ vegan

(Registration as soon as possible, I have reserved 15 places – first come, first served)

Looking forward to nice days in the snow! KATRIN
